

COVID-19 update:

The health and well being of our staff and clients is always our top priority and we have taken all practice measures suggested by the CDC and are following the guidelines set by the governor for non-essential businesses.

We are taking all precautions as suggested by the CDC. Our technicians are screened daily to ensure they do not have a fever or any symptoms and are wearing masks, booties, gloves & protective eyewear. Our office is operating & practicing social distancing; however we are not open for customers/guests to enter. We appreciate your business as well as your patience during this time.

Please stay safe & healthy and we look forward to servicing you soon.

Respectfully,
